

# Binary Trees

Use the binary tree shown on the left to answer each of the following questions:

1. identify each of the following:
  - a) The root of the binary tree \_\_\_\_\_
  - b) Two parents: \_\_\_\_\_ and \_\_\_\_\_
  - c) A leaf \_\_\_\_\_
  - d) The number of nodes on the tree \_\_\_\_\_
- 2) Draw a circle around a subtree
- 3) List the nodes using an inorder traversal
